The Premises:

New premises in Bletchley with free car parking very close by. Discreet entrance with a very friendly and helpful receptionist who was not only very efficient at the time of making my same day booking in helping to explain the location of the new premises, but was also really pleasant and very welcoming upon my arrival. The room was clean, comfortable and tastefully decorated.

The Lady:

With this being my first visit to see Alice, who had literally only just started that week, there was a slight sense of apprehension as I nervously waited for Alice to appear. A knock on the door, and in walked Alice, looking gorgeous with many attractive features, including a fantastic body, lovely flowing blonde hair and a really warm and welcoming smile, that combined with her very delightful and engaging personality, straight away put me at ease as we openly discussed the type of things I enjoyed, and what we might try and get up to with each other over the next hour.

The Story:

Apparently Alice is "fresh to Escorting"? Well all I can say is she must be a very fast learner, as the session I had with Alice was just amazing, and certainly an experience that was well worthy of Premier League status, and one where Alice's priority focus it would seem was on making sure I had nothing but a fantastic time.

So whilst what went on between Alice and myself will remain very much between just the two of us, I will just say that Alice's adventurous spirit, witty humour, passion and sheer naughtiness made our time together absolutely delightful, and a wonderful experience I will certainly reminisce about for a long time to come.

I would certainly recommend spending some time with Alice, as she is a delightful and fun lady to be with, and yes I will definitely be looking to return for 'round two' as soon as I possibly can.

Basically With Alice you get the real 'two for the price of one' deal i.e. Real glamour and a truly engaging personality, together with a very passionate and adventurous streak of sheer naughtiness that will leave you feeling one very contented and happy chap.
