The Premises:

New place near to Ego. Old building made new, really liked it.

The Lady:

Striking appearance, tall and leggy. She has a perfect smooth soft skin, rosebud nipples. Very pretty with a lovely smile, with a cute dimple when she smiles. Great fun to be with, everything came naturally nothing forced. No clock watching.

The Story:

Yet another Romanian sizzler, I thought they broke the mould when they made Tatiana but Angie is very similar in appearance although not as full on as Tatiana (A two girl would be heaven) She only plans to work for a short while and I predict she will be very popular soon.

To start with, an unexpected Lap-dance with slow strip. She was a dancer until recently and certainly has the body for it. On to some 69, her pussy tasted great and she responded well. On to sex with gentle encouragement, no ott acting like some girls. very much a gfe even without much in the way of kissing.

It doesn't mention much about the services she offers on the MKE website. Her service is rather limited, no OWO was offered (although I didn't actually ask) and she only lip kisses which will disappoint some punters, but not me, I though she was wonderful...
