### The Premises:

Clean, central location. Lots of free parking nearby.

Easy to find, unless you can't find your own backside with both hands, a torch and written instructions. Needless to say, it took me bloody ages, which is why this visit was slightly shorter (and £120, rather than £130 as it should have been).

### The Lady:

Tall, curvy redhead. Great smile.

### The Story:

This was my first time, so I was quite nervous, something that wasn't helped by my inability to follow instructions, that meant I was running late, and arrived slightly flustered.

Anyway, once I finally got there, had a really great time. She put me at ease, and I felt relaxed throughout the whole appointment. Great oral. Enjoyed the kissing. Never felt rushed at all.
