The Premises:

Well known parlour in the Jewellery Quarter. Well appointed if not luxurious.

The Lady:

Lucy is an older lady but fit, slim and well toned with a soft, squeezable bottom and B/C sized breasts.

The Story:

Lucy is clearly very experienced and gives a good if somewhat mechanical service. We undressed and I found that Lucy for an older lady (I'd say late 30-s perhaps) had a good, firm body and clearly looks after herself although the deep fake tan was a bit OTT for me.

Lucy's OWO skills are very good and I returned the compliment which was very enjoyable and Lucy enjoys a good fingering which I do like giving. However I was a bit disappointed to find that although I had showered and made sure I was nice and clean for Lucy she had not entirely returned the compliment as I found a piece of loo roll in my mouth as I was licking her pussy.

However that did not put me off and the punt got better and better as Lucy mounted me in cow girl and slid up and down my shaft so vigorously I nearly came there and then. But it was on to my favourite missionary any Lucy spread her legs nice and wide and let me take my time so that I finished with a huge, shuddering orgasm inside her.

Lucy's kissing by the way was very good too and I enjoyed kissing her whilst on top of her shagging in missionary - she did not hold back the kisses at all.

All in all a job well done and I would see Lucy again I'd just ask that she looks after the finer details and makes sure she's fully cleaned up before the punt starts.
