The Premises:

best I've seen for a long time

The Lady:

as per the photos, smaller than I expected. Enhanced tits which I don't like much

The Story:

slow starter as previously recorded, but soon got into it and offered me the choice between covered and bareback blow job. Odd!

The BBBJ was great, I returned the compliment. She has a lovely pussy, great lips, but as previously recorded a bit unresponsive.

Still back to BBBJ and cowgirl. Don't often come these days with a condom on - usually too tight, but shot my load (hahaha - such as it is) inside her fanny which was great.

There is more to sex than bj and penetration, she could improve on the peripherals, but nevertheless a fuck not to be missed

Watch out! There is another Nicole who snorts during the session. Make sure you get the right one.
