The Premises:

A very modern and discreet flat in the Royal Arsenal Dockyard development about a 5 minute walk from Woolwich railway station. It took a bit of finding owing to the buildings being numbered. There were shower facilities inside.

The Lady:

A very attractive dark haired Romanian girl with lovely firm,natural breasts.

The Story:

I had a mostly good experience. In part because of the modern surroundings and in part because Shanel had a lovely body. Her breasts were her best feature. The downside was her lack of English and this led to a bit of a muddled session. After showering, we had sex in the missionary position and the session ended with a hand job finish.

The maid who let me in was also very attractive and I would not be surprised if she was working there too.
