The Lady:

As shown in the pics, she's not skinny or super fit/muscular, about as advertised. Seems younger than 27, I would have guessed 22-23. A natural thick body with wonderful 34 (ok 36) DD real tits. She had just gotten out of the shower with no makeup at all, so she wasn't glammed up, kind of a Lithuanian girl next door. Just don't expect a runway model or a Parissa no bodyfat fitness model type.

The Story:

She was just wonderful. So chatty that at first I thought it was a bit time wasting, but it wasn't that at all in the end. One of those people who seem to just love sucking cock. I know it's a job, but some people enjoy their job and some don't. If she doesn't, she is sure making a go of it. I asked her if she could get it down her throat and she tried while I was lying down, but couldn't. I expected to drop the subject but she said wait let's try it another way. She lies on her back with her head hanging off the bed, tells me to stand up and fuck her throat. I say well yeah, ok, and i'm balls deep in no time. It felt great, so I did it a little more forcefully, no problem, no backing off. She catches her breathe, laughs says "I knew I could do it" and guides me back in, and go at it full bore with no hesitation at all from her. That kind of a girl.

A bit of fucking a couple ways and I come with 10 minutes left, a clean up and we keep talking. Clock says it's time to go and I start to gather up my stuff and she says "oh that's fast you have another 5 minutes, no need to hurry." Just a great experience all the way around.
