### The Premises:

Located in Clacton, only about 30 mins from centre of Colchester. Private house in quiet cul de sac. No curtain twitchers, parked on side road and walked. Clean and tidy house.

### The Lady:

Amazing breasts, very large and very natural. She has a short sexy haircut, why do I love bare necks so much.

### The Story:

I asked for natural just out bed look, I sense she was disappointed as I think she loves to dress to please.

It felt very natural, lay on bed chatting, before getting down to action.

I was paying so I let her do all the work... She definitely knew what she was doing and how to please.

Afterwards we lay and chatted then I accepted her offer of a cuppa and chatted some more.

Amazing personality, friendly and keen to please

Not a clock watcher

Highly recommended
