The Lady:

Very attractive, huge breasts , blonde hair, the very definition of a blonde "barbie" Russian escort. Images on website are a little touched up but nothing too extravagant.

The Story:

Looking back on my experience with Eustina, I feel we had a very enjoyable evening together. It certainly wasn't the most memorable or outstanding booking I have ever had, however I would definitely say a positive one nevertheless. We spent the first half hour of our booking drinking wine and getting to know each other, and we failed to really hit it off. Nothing against her personally she seemed like a nice girl but we just seemed to have very little in common. Her English wasn't outstanding but that didn't bother me too much as she made an effort and seemed friendly enough. In the bedroom I can have no criticisms for the lack of effort; she was very confident and enthusiastic and certainly knew what she was doing. So overall good not fantastic.
