The Premises:

Swish new apartment near the shopping centre with en-suite facilities. Much nicer and more discrete than the old town houses.

The Lady:

Attractive blonde, about 5'5" tall with natural D cup boobs and a lovely big butt to match. Plenty of candid photos on her Twitter to whet the appetite.

The Story:

Ella welcomed me with some DFK and we undressed each other before I explored her sensuous curves.

She then got down to OWO, alternating between flicking her tongue along my balls and shaft with deep-throating my member. This sensational combination had me ready to cum within minutes and so I double checked with Ella that CIM and Swallow were okay. She nodded and proceeded to suck me dry as I climaxed. Ella then opened wide to show me how much jizz she had in her mouth before swallowing it all down and gave my todger another suck to make sure she'd got every last drop.

After a quick break to freshen up, Ella returned to the bedroom and instructed me to lie down. We had a nice natter as she gave me an invigorating top-to-toe massage.

I flipped over and Ella once again had my cock in her mouth before I suggested 69 position. She appeared to respond well to my RO and cum to a shuddering orgasm.

Ella then slipped a condom on my todger and hopped on top for some energetic cowgirl position followed by doggy, as I bounced off her delectable derrière.

With the hour drawing to a close, I requested breast relief and Ella squished together those natural

D cups whilst demanding that I stick my cock in her cleavage. She brought me to another fantastic climax by wanking me off onto her tits.

As we got dressed, I asked Ella about which of her colleague she liked to do interactive duos with and was pleased to hear that I have plenty of choice for next time I feel like splashing out on a threesome.
