The Premises:

Flat in an apartment block very close to Warren Street tube. Discrete entry via an intercom. Flat itself is clean and fit for purpose.

The Lady:

Pretty much as per her photos, cracking body and a very pretty face with a look of innocence that couldn't be further from the truth.

The Story:

Chloe entered the room, wearing a white lingerie set that complimented her curves and showed off her physical assets perfectly. She approached me and planted a very friendly kiss on my lips, whilst wrapping her arms around my body and holding me close. This had the desired effect and my cock was soon rock solid and fighting to see some action. We dealt with the paperwork, and then quickly stripped and continued kissing, with tongues coming increasingly into play. After a while we retired to the bed and Chloe gave me exquisite OWO, with some gentle ball licking. She then positioned herself above me, allowing her ample breasts to hang temptingly above my mouth, and I sucked greedily on her nipples as they grew long and erect. More DFK and then my turn to DATY. This was a real treat for me and after her first orgasm, I sensed she was up for another one, so carried on, gently coaxing her clitoris and lips. After several minutes, Chloe was dripping with love juices and orgasmed yet again. Time was now running out, so I opted to save my man juice for Francesca, who I was seeing later at HOD2. Chloe is a delightful lady, who ticks all the boxes for me, so I will be back to see her again, hopefully with one of her suggested playmates, Izabel or Demi, on which occasion I will certainly empty my sac to completion.
