The Lady:

As per her photos. Trim figure with nice curves. Not a DD, but lovely handfuls to play with. Great smile and very friendly welcoming personality.

The Story:

A great second punt of the the day at HOD. can't understand why she only has 2 reviews, as she is sexy, hot, gives great OWO, enjoys being fucked and has a great pair of lips and prominent clitoris, once aroused. As with Chloe earlier, she ticked all my boxes. DFK from the outset, great OWO with plenty of attention to my balls. Very responsive nipples, and she chewed on mine with just the right amount of "pain" being delivered. Lovely RO, and as her clitoris grew, it really was a delight to bring her to a climax. Missionary, followed by cowgirl, during which Francesca came again, rubbing her clit hard against my cock as I rubbed my finger around her bumhole. Switched back to missionary and within a few minutes I was emptying my sac deep inside her (covered of course). No rush to get me out, so we chatted while we both cleaned up. Lovely lady, who is well worth a visit, IMO.
