### The Premises:

Well document parlour near centre of Bury

### The Lady:

Tall, very slim, mid-20's, Northern English blonde lass ...  
... who really seems to genuinely enjoy what she does.

In a word ... marvellous (especially all the French kissing) ...!!!

### The Story:

Sonia's photos on the La Maison website accurately reflect what she looks like.

She is in her mid-20's with long blonde hair and a very slim size 6 to 8 figure.

Her tits are almost non-existent ...

... but she more than makes up for that with her other fine features.

From the moment she greeted me at the reception area with that big grin of hers I knew I was going to enjoy her company.

Sonia is five foot nine inches tall ... but closer to 6 foot in her high-heels.

Her long legs are superb ...

... and were even better when she had them wrapped around me ...

... whilst she snogged my face off.

Lovely Mancunian lady ... definitely worth seeing again ...!!!
