The Premises:

Cherry was staying in a delightful cottage, remote but easy to find, parking nearby, very discrete yet felt safe. Marvellous standard inside. Felt like you were in a movie.

The Lady:

She has a hot young firm body which is built for sin, Mid height and mid build. She is intelligent yet wicked in a sensual way. She can also act out any role with ease and enjoyment.

The Story:

Found the place easily, was given full co-ordinates in the lengthy texts we exchanged. Had met her twice before with her other Italian friend called Victoria. Must write those two two girl experiences up.

As ever she took a while to be ready but greeted me in my saucy short length wrap and as she preceded me up the stairs, I was already hard.

Sorted out the arrangements without fuss and after watching her strip tease went through my sleeping beauty fantasy.

Sex in various positions ending up with supported doggie in that lovely spacious well appointed bedroom.

Nice chat about what to do next time ...

She does move around ..
