The Premises:

Clean and safe apartment bedroom has an en-suite toilet and shower. Plenty of parking all around, as very close to the shopping mall.

The Lady:

Michelle let me in to the apartment wearing absolutely nothing! No problem at all with that as she has a nice slim body to look at. Very attractive lady with a warm confident personality.

For me personality is the most important thing, as I always take a bit of time to open up with new people, I was able to relax very quickly with Michelle as she has a lovely cheeky sense of humour.

The Story:

Michelle asked me what I would like and I said I liked a girlfriend experience but with some dirty stuff added to the mix..not much for her to go on but I said I would guide her as we went along! Michelle was very attentive and was always checking what I wanted throughout the session. My time included lots of kissing, a fantastic deep throat blow job with lots of spitting onto my cock, a long session of 69, sex in several positions and then as time was running out she asked me where I wanted to come. I asked for cum and she sat me at the end of the bed knelt in front of me and happily obliged!!

I would add that although we both knew my time was nearly up, she was patient when giving me that last blow job, and was not going to stop until I came.

I don't write many reviews...if I have a bad experience I will post one to warn other guys, and equally if I have a good experience I will post that. This wasn't just a good experience, it was absolutely awesome. Not just for the sex but, Michelle is fun to be around and I left a very happy man!

I told Michelle I would be back to see her again, and I will, next time I will book a longer session, she is a top girl...treat her well guys!!
