The Premises:

Gabriela flat was clean also a very good bedroom shower was available.

The Lady:

She was dressed very sexily in a top that showed her lovely cleavage and that was cropped so showed some of her stomach and lower back. Looked very attractive.

She was great.

The Story:

I was very nervous with the inevitable consequence. She was very patient and thoughtful and helped to put me at ease and get the little fella going. She has great skin very smooth. She was a great kisser, really nice so FK. OWO was good, then we went on to the s**. She then finished me off with phenomenally vigourous (in a good way) OWO with CIM and no flinching. She was a great girl and really sweet. I would definitely recommend but only if you're going to be nice to her
