The Premises:

MKE's new premises in Fenny Stratford. Feels slightly more cramped than the old premises in CMK, but clean and perfectly adequate. At has a discrete entrance from the free car park, so easy to park up and arrive bang on time.

The Lady:

Awesome, just awesome. Flawless pale skin, long red-brown hair, slim, petite, and very pretty. Amber also has the most perfect small breasts topped off with coral pink nipples. She is also polite, chatty and very obliging. A real 10 out of 10.

The only fault I can find is that Amber is really not photogenic. Somehow the new website pics that were taken only this morning make her look a couple of dress sizes bigger than she actually is.

The Story:

Having not been to MKE for a while I was tempted by the recent arrival of lots of new girls, and Amber's description fit the bill nicely. I arrived bang on time and had just a short wait for Amber to be free. In truth this was a bonus because I got to watch the other girls getting ready for their customers. As usual with HoD the it's hard to tell the maid from the other girls (what happened to maids being much older?!)

Once in the room Amber hid any nerves well (this was her first morning in the job) and we hit the bed for a gentle GFE to start. The time flew by with the young lady agreeing to everything I requested, and despite me being three times her age did a very good impression of having a good time. To go into detail doesn't seem appropriate for such a beautiful young lady, but suffice to say that I left extremely satisfied and already planning my next visit.

So, 20 mins later I was back on the phone, and two hours after that Amber was helping me out of my clothes once more. Six punters without a break hadn't diminished her enthusiasm and we were soon right back where we left off. I left a happy man once more.

Thank you young lady, see you very soon.
