The Premises:

A residential house about a 10 minute walk from Plumstead rail station. It is on a quiet road, but not very discreet.

The Lady:

A young, slim Romanian girl with medium sized breasts. Not the girl pictured, but she was attractive and friendly.

The Story:

A nice, relaxed session consisting of uncovered oral and sex in the doggy position to completion. This was in the upstairs bedroom and I would think it very likely that other girls work at the same house.
