The Premises:

I have not visited Brooklyns for a while, but it does not seem to have changed.

On this occasion, I had little choice - Alicioas was closed, Excell had only one girl on who was busy, so it was Hobson's choice.

Greeted on arrival by the hostess putting out the bin - nice!

I assume the dreaded communal waiting room is still in use, but I was shown direct to a room.

This was well furnished, with a good, clean en-suite shower, and a good quality TV/DVD with porn playing.

Outside, the exterior is still very tatty and in need of refurbishment.

Parking is OK in nearby side streets, though not easy, or ALDI car park nearby.

Still not discrete - on leaving, I bumped into the next customer arriving, poor.

The Lady:

Slim brunette, early 20's, fully shaven and with left nipple pierced (which I personally found a bit off-putting, I suppose some may like it)

The Story:

Unfortunately, not a great experience - no kissing, no reverse oral, no fingers inside.

Lackluster massage, followed by good oral just about got me going for missionary to completion, which was OK.

Left feeling disappointed, for the supposed premier establishment in Crewe there were too many negatives - poor exterior decor, not welcoming, no drink offered, not discrete, girl mediocre etc.
