### The Premises:

A basement flat in one of the many blocks along the Lower Addiscombe Road. Parking is available on adjacent streets and the premises is within walking distance of Addiscombe tram stop. The flat itself is rather cramped, appears to be lived in and struck me as rather grotty. No shower facilities were on offer. The premises has its own front door so it is fairly discrete but the waiting area seems to be porch outside the flat.

### The Lady:

Madaline's physical description on her AW site is accurate. She is Romanian, in her late twenties, size 10, around 5'6" with a fantastic pair of natural 30C breasts. Madaline does not show her face on her AW photos but, like the rest of her, it is very attractive. Her English is rather poor.

### The Story:

I was at a loose end so decided to visit the AW site to see what was on offer in Croydon on a Sunday evening and Madaline's profile caught my eye. Whilst I should know by now that if a profile on AW seems too good to be true then it probably is, I still decided to phone her to arrange a meeting.

When I called Madaline there was no reply but I received a text about 10 minutes later giving me the location of her block of flats and asking me to call again when I was outside which I duly did. Madaline appeared, invited me in and showed me straight in to the rather untidy and dirty bedroom. Whilst we were completing the financial formalities, another good-looking girl came in to the room and offered to make up a threesome for an additional £40. I declined the offer.

Whilst Madaline is attractive and her physical appearance tallies with her description and photos on AW, what she claimed to do and like in her profile turned out to be total fantasy. After undressing, she suggested that we have sex straight away before I told her that we had plenty of time and I like a bit of foreplay. I then started to explore her body with my hands and she was happy for me to play with her breasts and stroke her pussy although every few minutes she would ask again if I was ready for sex. Despite what her AW profile says, she objected to any kissing on the lips, refused to give me a blow job - even a covered one - or massage by cock and balls by hand.

Despite Madaline's lack of interest initially, I did succeed in getting her nipples hardened so we moved on to sex after she asked yet again if I was ready for sex. Madaline refused to go on top so it

was doggy followed by missionary followed by deep stick which did get her groaning a fair bit. With my time coming to an end, I suggested that she finished me off by hand but she refused so I finished myself off by hand and left. On the way out, I passed a punter waiting in the porch to come in as we both tried in vain to avoid eye contact.

Overall, Madaline's good looks don't make up for her failure to deliver even a fraction of what she says she does in her AW profile. Avoid.
