Unmarked doorway entrance in busy shopping street, friendly welcome. Room was clean, tidy with shower and fresh towels

The Lady:

Carrying more weight than her photos would suggest but curvy tanned body. Age seem accurate English girl

The Story:

Originally I booked for Bobby but she was a no show, so left with a choice I choose Robyn given her photos and profile. What a mistake - it was like being with a cardboard cut out, you know those awkward punts where the girl clearly a. doesn't want to be there and b. is not in the least bit interested in what she is doing. Now I know it was late in the day but you still take my money, so no excuse.

Robyn came into the room after I just finished drying but hardly said a word (I did think that she wasn't English until the end) we kissed half heartedly and she stroked my cock. I asked her to take off her bra and gave her nipples so attention. I laid on the bed and immediately on went the condom, some reasonable oral followed and I suggested returning the favour. Robyn laid on the bed and spent most of the time suffling up the bed - perhaps my technique was poor (usually no complaints). A brief bit of sex followed and it was over - 15 minutes total. I had booked for 20 originally but thought better of being tight and changed to 30 minutes - I wish I handn't changed my mind at least I would have wasted less.

No conversation followed so I got up and got dressed and left. There have been no other reviews for Robyn, so I took a chance - better luck next time. Usually MN have great girls (see my previous reviews) but now and then get unlucky.

Definitely would not recommend
