The Lady:

Wow!!!!!! when Vanessa walked through the door I was nearly knocked off my feet by her beauty. She mid 20's and had dark hair and she is very tall (6ft10) had very nice large natural breasts.

The Story:

Started off with covered oral which was very nice, plenty of licking and with a nice rhythm. I could wait no longer and went into missionary, this was the best missionary I have had in a while. plenty of eye contact and she appeared to be enjoying it. lots of sensual kissing as I penetrated her (very much a GFE!). I was just about to blow my load looking at her gorgeous face and had to flip her over for some doggy where I climaxed.

This girl is top class and had an amazing smile (among other things).

I would definitely recommend seeing her, you won't be disappointed!
