The Premises:

Good clean flat in a modern block with cheap parking close by. She buzzes you in to the apartment block and the entrance to her flat is discreet and not overlooked. Altogether an ideal venue and a totally safe environment.

Good shower facilities available (though I usually prefer to shower at home just before setting out).

The Lady:

Caterina is 36 and describes herself on AW as Milf-Catherine which in my opinion is ridiculous. She has the body of a girl in her twenties and does not fit my vision of a MILF (which to me suggests somewhat droopy boobs). Caterina's are pert and delightful. Similarly, never having had a child, other important parts of her anatomy are un-MILF-like!

The Story:

I have been negligent in not sharing this young woman with PN readers as I have been seeing her for nearly three years and have not previously posted a review here. Caterina is Italian and that is her first language but her English is now fluent and improving all the time. Her nationality is shown on AW as Polish but she has never managed get that corrected and is reluctant to rock the AW boat.

She is really friendly and welcoming and as always I was welcomed today with a big smile, a big kiss and a hug.

Into the bedroom and I was left for only a couple of minutes to strip off before she returned and more hugs and French kisses followed before we flopped onto the bed and her skimpy shift dress was removed. Soon I was kissing my way down via her lovely, sensitive boobs to what I now know the Italian for .. la sua figa bellissima. Usually she is fully shaven but today she was about to go on holiday for a couple of weeks and had let her hair grow a bit but it was soft and sweet and every bit as enjoyable as usual. My extensive RO was well-received and successful. (She is not a girl who fakes it.) Then it was my turn for some excellent OWO (which is "at discretion"), reverse-cowgirl, missionary and doggie got me there after rather longer than usual (probably because I had had a few glasses of wine at lunch time). It certainly was not down to any lack of skillful and delightful participation on her part. At my age I am a one-shot weapon so have no experience of seeking a

second round but a good chat and continuing cuddles filled the time until I was due to leave. Caterina is no time-watcher and has become my absolute No. 1; I have now seen her nearly 30 times over the past three years and plan to go on doing so.

To the best of my knowledge she does everything on her "likes" list and from what she has told me any attempt to get her to provide services she doesn't like will seriously damage the encounter. So if you want more than she offers, don't go there!
