The Premises:

Location is an undesirable but not terrible neighbourhood. Plenty of free off-street parking in the area, premises is on a main road but with a discreet rear entrance and unassuming shop front. The public area is very clean and new and has an actual reception desk, it feels very comfortable. The room is smart and welcoming with a decent enough shower. The only down side of the premises is the steep stair case up to the rooms, on the way up not too bad (her arse is at eye level) but a bit dangerous trying to stagger down without stacking it!

The Lady:

Physical: Cheryl stands at about 5 foot 4, dyed blonde shoulder length bob hair style. She has an incredible effervescent smile and giggle, not in an air headed way and a very infectious smile. She has a size 8 body with plenty more where it counts. Her (natural) 34DD are big enough to suffocate you, her ample arse is so firm you could bounce marbles off it. She has a small tattoo on her wrist and navel piercing.

The Story:

It was the first time I had booked time with a girl, decided to after looking at the pics and reading reviews and am very glad I did. After following her up stairs, sorted out particulars and I hopped in the shower. We started with a massage and a chat, both of which she is very good at. Despite her conversing in a second language she has a great sense of humour and will make plenty of jokes which helps to remove any tension.

We got started with MM and kissing, she gave OWO (soft and sloppy) then she asked me reciprocate, don't have to ask me twice. Perfectly shaved tight pussy, could have stayed down there all day. She doesn't do loud 'porn' moaning, which personally I prefer, but she will let you know what is good and what isn't.

On with the rubber and she went on top, which is a sight to behold, her enormous boobs bouncing back and forth until she smooshes them in your face, giggling while she almost smothers you! Switched over to missionary to end which maybe uninspiring but is still very much worth it. After kissing and cuddling a while time was up, but I got an extra 15-20 mins with her as we chatted about our fears of post-Brexit (she is an EU citizen), not sexy-time (she was still naked tho) but an interesting and unexpected extra!!
