The Story:

Phoned Debbie to make an appointment with the fairly new but Debbie told me very popular Caroline , promising me that I'd really like her ...she wasn't wrong.

As always when I arrived I was given a beer as I waited in the kitchen as Caroline was busy with a customer, made to feel welcome as always , and the sensational Amber was in the kitchen and we had some great gossip.

When Caroline was free she entered looking amazing , we kissed before she nipped to the bathroom to freshen up , before we went to the back bedroom , made the arrangements , she nipped out as I got undressed , when she returned she suggested we take a shower together .

I helped her undress peeling off her stockings , she remove my boxers and gave my now stiff cock a suck.

As always lots of wonderful caressing and lathering in the cozy cramped shower , before returning to the bedroom, and lay on the bed together and after lots of cuddling and proper kissing , commenced on her small perfect nipples , wonderfully pert and responsive , before moving to her perfect pussy , spent ages licking her clit , before at her suggestion we get into a 69 with her on top . Wonderful to have her juicy pussy grinding in my face as I clutched her pretty little arse, while she devoured my cock her head rising up and down , she told me she would love me to put my fingers in her pussy , so we moved position with her on her back I carried on licking her juicy clit while at her request slid 1 then a 2nd finger into her.

Although as always there is never any rushing at Debbie's Caroline pointed out there wasn't much time left , we were both ready to fuck , starting with her astride me , her pussy wonderfully hot my cock stiff with pleasure, we moved on to missionary so we could put our tongues into each others mouths , finally moved into doggie , wonderful to slide my cock into her , before inevitably built up and spunked as she told me to give it to her .

Slowly started getting dressed she gave me another beer and had a lovely chat , she is a very artistic creative girl , before going to the kitchen where Debbie and Amber , having some more good gossip , before kissing them all goodbye , as more customers started arriving again, yet another cute lovely sexy girl at Debbie's.
