The Story:

I must admit, never went through the process of a review on my last visits not because they didn't warrant great reviews they certainly did...BUT .. After seeing Melissa i compelled myself to make a review because astonishingly she hasnt had any yet. Ok she has only joined so maybe that's why. I have to say after the shower In the tiny room we were in , I already knew this was going to be a good massage. Immediate attraction if you catch my drift fellas.

She was great to chat to and started with a great massage , shoulders taken care of superbly, legs and back , worked all the tension out , the b2b was great, wished she just stayed on my back haha . Now when she asked me to turn over and I saw her complete body wow...her beautiful face smile , she is stunning , allowed me to touch which I did gladly. she was sensual with a capital S.. Dayum.. All I can say the ending was out of this world ..you have to make an appointment and find out...

Will I see her again , er yah off course. , as soon as I can....

Thanks Melissa
