The Premises:

Good location in Bletchley, plenty of parking nearby and discreet enough.

The Lady:

Exactly like her pictures. Lauren is tall, slim and very pretty. Nice body, small pert breasts and a nice arse. She's also easy to chat to and we enjoyed a bit of banter and a few laughs in between various activities.

The Story:

Decent enough for a spontaneous punt, after a round of golf in the morning. Lauren was 'the next best thing' as the other girls I wanted to see weren't available at the time I was. So, booked Lauren and was a little apprehensive, given that she doesn't have any reports/reviews, about if I was going to enjoy it or not.

As it happens, I did enjoy myself. Not only because Lauren is gorgeous and gave a natural service but also because we had a bit of banter. Not the 'wow' experience I have with Michelle or Tina.

All in all, a great girl and a good time was had.
