### The Premises:

The usual.

### The Lady:

Both as advertised. Ruby early 30's tall thin and strong with good sized round fakes. Angel early 20's, taller, thin and strong with beautiful natural seeming (but upgraded) breasts. They really have the super hot runway model body type brunette Romanian demographic covered with Elizabeth, Nadia, and Angel.

### The Story:

Originally booked w Ruby and Nadia but they got split up for some reason w Nadia to Pimlico today. Ruby told me after that her and Nadia together are more of an event, with favorite toys, the knowledge of what makes each other come for real, and some genuine passion. Next time.

I found out about the shift change over the weekend and went ahead with an Angel duo, it was great if not as bed and couch destroying (and genuine) as the Ruby/Nadia show might have been.

Ruby immediate with the tongue stud DFK and deepthroating, Nadia a bit more reserved at first but very sweet and truly great (including dfk) once she got comfortable. Lots of interaction between them, double OWO, cowgirl both ways (damn both can slam down on you from above like fucking athletes), hard pse punishing and soft gfe dfk mish with Ruby, and dog with both until I finished with Angel. Top notch. Plan on seeing both again solo, and definitely keeping any eye on the Ruby/Nadia combo for when available. Lovely nice women.
