The Premises:

well kept flat in a quiet block at leafy end of Sutton. easy and discreet parking, she will tell you where when you call. noticed plenty of "equipment" for anyone into BDSM.

The Lady:

has a great voice, gets you going when you ring up. looks even better than the photos. middish 30s, 5' 8 or so but as tall as me in heels, which i liked, she has a good selection of outfits. nicely shaped, cracking arse, beautiful face with a naughty glint in her eyes, a great sense of humour, very easy to get on with. interesting tattoos and piercing, you'll find out for yourself.

The Story:

after seeing the photos and speaking to Debbie on the phone was really looking to meeting her in the flesh (ahem) and was not dissapointed. felt at ease straight away, after a peck on the cheek at the door and offer of bathroom and drink we went to the bedroom and got comfortable. she had the matter well in hand ;-). once i was hard, which didnt take long, she started on a blow job that was as good as she had claimed on the phone. had to ask her to stop before i came. then she suggested a few of the more kinky things but i am a "kiss and cuddles" or "vanilla" person so it was straight sex, with lots of encouragement from her. she certainly knows her stuff, feels wonderful and is not on the hurry-up, gives you her full attention, unlike some girls i have seen who stare vacantly into space. she was keen to make an enjoyable experience and certainly succeeded, i'll be seeing her regularly.
