The Lady:

Jai is an absolute stunner. She has a superb athletic toned body with beautiful black velvet skin. Enhanced wonderful breasts, an ass to die for, the most amazing smile and beautiful expressive eyes. If it sounds like I'm smitten, I am, I should know better, but I am anyway. She is so much more beautiful than you expect

The Story:

I'm not normally one to go into lots of detail, but this was one of the most sexy and sensual experiences I have had. Jai came in wearing killer black lingerie, made immediate eye contact smiled so seductively and begun kissing so passionately I was sure she meant it..
We kissed for a while before Jai dropped to her knees seductively took down my underwear and gave the most incredible stand up blow job of all time - 15 minutes of absolute wow. She's so good that I have to confess I did't last until i'd even taken off her underwear. However it wasn't long before her sensual kissing and gentle encouragement that I was ready to go again. I decided to start by returning the favour, Jai knows what she likes and was happy to let me know when i "hit the spot" - favour returned - she definitely enjoyed herself, she put on the rubber and started riding me, we moved in doggy which was amazing - her ass is unbelievable, before i requested that we dismount so I could finished in her mouth again.
Jai is the absolute perfect blend of beauty, sexy and sweetness - treat her well she is an absolute gem!
