The Premises:

Typical MKE room, see my previous reviews. I got the middle room this time, which was one which was nice and large. If you book for longer durations they tend to give you the larger room (obviously). I find the top floor the best, because with it you get a newly refurbished bathroom by the attic which is a small bonus. The whole place was clean and tidy. It was hectically busy on a Friday afternoon, but they still manage to execute their routine perfectly so that one does not encounter another client. So kudos to them for managing that, really appreciate it. This lady is difficult to book, and of course I wanted to extend my booking, but business was too good for her and I only earned 30 minutes of precious time. Turned out far too pressured for a good time, I'll have to come back for seconds.

The Lady:

Of course she sports the usual curves of a girl of this caliber. The photographer finally did his job right, very accurate pictures. Petite frame, very feminine. Young, willing and pretty, thats the only three ingredients needed for this deadly concoction. Don't let her youthful face with all the soft features fool you, she is sinfully tight, everywhere, I mean everywhere. She was wearing a similar (or was it the same?) outfit as her pictures. She looked brilliant in her outfit, but perhaps it was a little over the top for her, not seedy, but edging on provocative and almost old fashioned. I think she needs something toned down to capture her beauty. Something cleaner and crisper would suit her, but thats only my humble opinion.

The Story:

Perfect GFE, 10/10 with a slight shade of smut to it all. Many of the intricate details included in the wonderful experience, many of the activities felt easy going yet painfully intimate. She has mastered the art of GFE at such a young age. Though she was a bit nervous, largely down to her inexperience, she outperformed many I have seen in the past, and will probably continue to do so. Once again it shows that inexperience does not lead to dead end machinery sex, and good service comes from willingness alone. At this price, you won't get anything more than this.

If you want to see a fresh young lady willing to serve a GFE for you, then look no further than Amber. Your other alternative would be Imogen, from my own experience. Comparing the two, I

don't have a preference for either of the lady's GFE, both are great, but their GFE's having a different tone to them. They both smell sound and taste different. Imogen, though taller, feels somewhat softer and warmer, Amber on the other hand is slightly more energetic, gritty and lustful.

Hope this helps, happy punting!
