The Premises:

Ground floor apartment previously used by MK Escorts near to Staples with pay and display parking. A little less quiet than some of the venues but perfectly adequate. A range of rooms, only a few with shower facilities. Room used was darkened with framed bed and a couple of mirrors.

The Lady:

Michelle is from Italy but has lived here for a few years so no problem with language. She is in her mid twenties and is of medium height with long dark hair and a cute fringe framing her attractive, enquiring eyes and a mischievous grin! Her skin is light and soft and completely unblemished. She has small perfectly formed breasts with lovely large pink nipples which beg to be suckled. Her body is slim with a wonderfully rounded bum and a shaved pussy. She has a warm, friendly and caring personality, perfect for the inexperienced, but also offers a wide range of services (no A) and is open minded so don't be afraid to ask, she can always say no, but doesn't very often in my experience. Although popular she is always immaculately groomed and fresh.

The Story:

Michelle entered the room in a bra and thong set and greeted me with the same enthusiastic DFK as she did on my first meeting. The underwear was quickly removed as she is very comfortable being naked. I decided to start by giving her a full body massage as I love the feeling of her skin and can appreciate her body. After a warm kiss to show her appreciation I asked to be spanked. Although she tends towards the submissive she is also adept at some light Dom. I was then turned over for her speciality OWO at which she is extremely proficient taking my full length into her mouth. The sight and feel is something of wonder. Although she will allow CIM, I was now more than ready for some lovemaking so on went the cover. We started in cowgirl then moved to the end of the bed with M bent right over as I banged hard against her exquisite upturned bum. We moved back to the bed to finish with a more intimate missionary session with lots of DFK ending in an intense orgasm. As always Michelle paid great care and attention to cleaning me up afterwards which I believe shows what a fantastic person she is. Her popularity is well deserved and if you treat her well you will not be disappointed so it is well worth pre-booking early. Thank you Michelle x
