The Premises:

Scorpio Sauna - nice place, quiet street, you won't be disappointed.

The Lady:

Alex is about 6'0, with shoulder length blonde hair, blue eyes and slim but busty figure. She looks like a model. Nice tits and bum - 36D I would guess. Bit of a Roman nose, but lets not quibble eh.

The Story:

Chose Alex from a selection of seven girls - Trisha, Francesca, Kylie (fantastic looking Nicole Kidman type), Morgan, Linda and another Aussie whose name I didn't catch (she was plainish anyway).

Went to the room and had a good massage. Alex is no bimbo and is easy to talk to. She only does one or two shifts a week, so you'll be lucky to catch her. The massage was strating to centre itself on my scrotum, so I took that as a cue to turn over.

Alex gives good, unhurried, OWO and pays a lot of attention to licking balls, perineum (look it up!) and the end of your dick. She then progressed to biting my nipples (love it) before I went down on her.

She has a nice shaved fanny, and I spent a while down there at her insistance. Nice long labia, if you're a fan of that. Anyway, I was bursting for a shag by now, so on with the condom, Alex's legs over me shoulders and away we went.

A few heaves later and I am giggling like a schoolboy having shot way too soon. But I will be back to try again...
