The Premises:

As described in previous FRs. Perfectly nice flat in perfectly nice area a few minutes walk from town centre, station etc. Even the shower was better than many places...

The Lady:

Polish, pretty good English, but not perfect. Again, as described elsewhere. Late 30s, nice breasts, not enhanced (which was good) and very pleasant and keen to please. Almost bashful! A lovely person and we seemed to click.

The Story:

A quick light massage, then flipped over and DFK which became very passionate. She then spent ages OWO, and far more sophisticated than the bobbing up and down you sometimes get - she really seemed to be enjoying herself (as was I!). She took up my suggestion of RO, and really got into that too - I'm certain she came. She then returned to a bit of OW before sex in missionary. Overall I had a great time, and so did she. Certainly up for it if you happen to click, but YMMV as usual.
