The Premises:

Modern block in Paddington basin. It's a pity that the shower head has fallen off and the bathroom is a bit many, but that's not Charlottes fault, it's modern crap buildings and the landlord.

The Lady:

As per photos on the web site, but much better in the flesh - ah flesh! I start to feel hornet all over again.

The Story:

Put simply - this girls is stunning, everything you would want in a sexy horny girlfriend. I rarely visit a girl more than once, but from now on she is the only one for me.

No messing about, putting off the evil day when there might be some sort of sexual contact between us, straight into the most delicious oral you can imagine. I still dream of my cock in her mouth.

Returning the favour she seemed to enjoy my tongue up her pussy and a finger up her while I licked her clit. On with a condom, doggy and missionary meant I soon came.

I can't believe that I stuck my dick into such a welcoming, warm and wet pussy - at my age, you would think I would know better. Ha! And Charlotte so beautiful as well.

Can't wait to see her again, maybe duo to celebrate my big birthday even though it was 18 months ago.

Thank you

PS dip your bread in this sweet honeypot quickly my friends, she is going to jack it all in and go home by the end of the year.
