The Premises:

New place in Bletchley, seemed to be plenty of parking out back and was pretty discreet. As usual with Annabella's/MKE the room was immaculate and nicely decorated.

The Lady:

Foxy has a gorgeous body, and a beautiful smiley face. She was quite tall and had lovely long legs and a fantastic behind.

The Story:

I've wanted to see Foxy for quite some time but she always seemed to be booked when I called, so I was happy to get a 2pm appointment on this occasion. As the weather was sweltering a large fan had been placed in the room which I was most grateful for, a nice touch I thought. Foxy looks pretty much exactly like her photos, maybe a touch slimmer in the flesh. Fantastic anyway. I've read so many positive reviews about Foxy, and I can certainly see why.

Services we indulged in were DFK, which was immediate, OWO which was fantastic with no neglect being shown on Foxy's part, a 69 during which Foxy was very responsive and tasted great, onto sex in multiple positions with Foxy being very enthusiastic throughout. We finished with some DFK while I brought myself to a finish on Foxy's lovely body, Foxy had been trying for CIM however I seem to take a little while to finish during punts so I thought I'd give her a break. Overall I had a great time, Foxy was friendly (slightly naughty) and chatty throughout which really made me feel at ease and I would definitely recommend that anyone thinking about seeing her do so.
