The Premises:

A terraced house only 2 minutes walk from Charlton Rail Station. It was fairly discreet, the road seemed quiet. It was very basic inside.

The Lady:

A busty Hungarian milf exactly as pictured. She was very friendly, but her English was limited.

The Story:

After a couple of so so experiences I opted to go all out for a big breast session. Zoe certainly met that criteria. Her breasts were big and heavy with large pink areolas. The session was very enjoyable because Zoe was very experienced. The session started with covered oral and that was performed slowly with light tickling. We then had covered sex in the missionary position. I had to take that slowly because the oral had brought me quite close. To finish, I removed the condom and stroked myself to orgasm over her breasts.
