The Premises:

A multi-room flat over one of the shops in George Street close to the tram stop. The premises is within walking distance of East Croydon station. Parking is available at a number of car parks each several minutes walk away. The entrance is via a discrete door which is kept unlocked so none of the workers and shoppers in George Street know what you're up to when you come and go. On entering, the reception is at the top of the stairs with a number of rooms with massage tables. Shower facilities are available and to a high standard.

The Lady:

Neela is an attractive Chinese lady in her mid twenties. She is petite with long dark hair, lovely legs and B-cup breasts. Her English is rather poor but she is very friendly and certainly knows how to give a good massage and a fantastic hand job.

The Story:

After a hard day's work, I decided to treat myself to a relaxing massage. I opted for Pure Life as it specialises in massage with a happy ending and I was feeling too tired for full sex. It should be noted that the girls who work at Pure Life do not offer penetrative or oral sex.

I arrived unannounced and paid the receptionist £45 for a one hour massage. She then showed me to one of the rooms and Neela arrived a few moments later. The prices on the Pure Life ace massage web page are for a standard massage only. Body to body massage and/or a happy ending are extra and are paid directly to the girl.

After I had undressed and settled face-down on the massage table, Neela gave an excellent massage from head to foot using her hands and massage oil. She then did the same after I turned over. There was lots of teasing around my cock and balls and bum during the massage, all of which was thoroughly enjoyable. Neela was happy for me to caress her body while she massaged me and, at her request, enjoyed me massaging her head and hair very hard.

After about 40 minutes, I agreed to her request to give her a further £30 for a hand job and she duly gave me one of the best I've ever had. Neela skilfully worked her hand smoothly up and down my cock and around my cock's head and after about 15 minutes I came all over myself. After that I took a shower, gave Neela the £30 I promised her and went home relaxed and satisfied.

It is a shame that Neela and the other girls that work at Pure Life don't offer more than hand relief and if you're looking for full sex here you will be disappointed. However, for a first class massage and one of the best hand jobs you're likely to ever receive, this place is probably as good as it gets.
