The Story:

A very enjoyable 45 minutes

Lovely kissing and cuddling. Genuinely GFE. She was accommodating, anxious to please, relaxing and just lovely.

Sweet tasting pussy, and a delight to be able to please. At my age its so nice to hear words like 'You are good' and 'that's really nice'. Certainly sounded genuine,

She treated my cock too to some delightful work with her fingers and tongue.. just as I like.

It felt so relaxing and so natural.

Just one lesson for my next visit. She came fairly early on and after that her sensitive pussy had to be treated carefully. I should have made sure she did not get too much pleasure so early on, but then again there is nothing better than a girl groaning towards an orgasm. I did get back onto her pussy and clit a little later, but next time I may just spin it out a little longer.

A sex bomb for sure, and easy conversationalist. Genuine, real, very wet and sexy. What more can an older man wish for
