The Story:

When Beth arrived she looked gorgeous. Spent 2 hours with her and I cannot remember when I have laughed so much. Lads 4 things you need to help you remember Beth's name B = Beautiful, E = Elegant, T= Terrific Body, H= Hot, Hot, Hot. As soon as she looks at you with her lovely blue eyes she will have wrapped around her little finger.

Thank you Beth, I look forward to seeing you soon
