The Premises:

My second visit to this terraced house located a short walk from Charlton rail station. Not very discreet, but it is a quiet road.

The Lady:

A bottle blonde, Hungarian girl with a cracking little body actually better looking than in the photos. She looked a bit Scandinavian.

The Story:

Lovely girl, great body, but her English wasn't too good. She kept looking at me with a puzzled expression. I opted for a half hour session and she said that doesn't include an uncovered blowjob or come over the face. Ok, so I paid an extra £20 (£10 for each). The blowjob was really good and with no hands. I had time to caress and suck her lovely D cup breasts and squeeze her bum. I then stood while she knelt in front of me to receive a facial. She covered her eyes, which is fair enough, so I came over her cheek and chin.
