The Premises:

A relaxed comfortable and friendly environment set in a small row of shops with adequate parking and rear entrance. Shower facilities, tea/coffee soft drinks friendly girls and reception. Can get very warm in room so beware as it might affect your performance!

The Lady:

Late thirties with blonde hair and enhanced breasts. Very friendly and accommodating. A real pleasure to meet her.

The Story:

When i arrived there were three girls on duty with two of them working. Did I want to take Natasha? I wasn't sure so i waited. One of the other girls came out but i wanted to see the third. However, i was waiting for quite a bit and the more Natasha moved around the more i became attracted to her to the point I said 'come on Natasha - lets have some fun'. Paid the receptionist who showed me to the room and asked if i wanted a shower - i declined as i always shower prior to any meetings and hope the girl does to. Once in the room I very quickly stripped naked and got on the bed. Natasha came in the room and asked if I wanted a massage and yes i did as i find it relaxing. Back first then front. Natasha took her top off so I could feed on her incredible 34FF breasts. Touching was allowed so I fingered and licked all holes whilst Natasha blew me until I incredibly became erect (previously a problem with me due to health issues). Rubber on and WOW - sex was just great! This girl was amazing, friendly, genuinely interested in her work and I had an absolutely brilliant time. Thank you Natasha.
