The Story:

Lucy welcomed me with a kiss and after we sorted out business we released the boobs. Not natural but lovely and soft and responsive nipples. Lucy was straight down on her knees sucking my immediately hard cock in front of the mirror, plenty of attention payed to my balls and all of this in front of the mirror. Onto the bed, I performed RO which I believe Lucy enjoyed and then had the delight of an amazing titwank between those heavenly breasts! Moved into doggy and seeing my cock disappear into her shapely arse was heaven. Before long I was emptying my balls.

Quick shower and nice chat and I was off into the sunshine. Lucy is a lovely young lady who I wouldn't hesitate to recommend or make a return visit...and did I mention those boobs!
