Usual MKE place in Bletchley/Fenny Stratford. Plenty of free parking available.

### The Lady:

Alice is around 5'4, size 10-12, with a good figure (little bit of a belly, but not fat), nice bum.

### The Story:

After a couple of poor punts recently, my luck had to change eventually so I made a booking with Alice after reviewing her profile.

Comms were easy and parking is available right outside and nearby the location.

On entering, I was directed to a large double room on the 1st floor, and soon after Alice joined me. After a short chat about what I was looking for from a kink/fetish perspective, we started with some light FK before Alice tied my balls up with a stocking and delivered some good OWO. Alice teased me with a prostrate massage before pleasuring me with strap-on's of differing sizes, round one ended with more OWO before I came over her tits (No CIM on offer.)

Round two started with some watersports, followed my a lengthy bout of OWO, moving onto sex in a couple of positions. Couldn't quite manage a second finish as the knock on the door came bang on time.

This punt was far better than other recent punts. IMHO, at the risk of sounding fluffy, the experience with Alice would get better after a couple of visits so that you understand each others limits and therefore can explore the range of kink and fetish.
