The Story:

I don't quite know how Jai does it. Her reviews are amazing and she surpassed what I had hoped for even from these. She DFKs and this was hot - getting the fun kicked off as soon as she came in the room. I dropped my clothes as she collected my gift from the bed and then she was dropping to her knees. She gave me an excellent stand-up blowjob. The thing about Jai is she let's you lead and responds beautifully to your suggestions and prompts. So I was able to lead the blowjob, choosing when to have her lick my balls, my shaft, suck the head or have her take it deeper. Her deepthroat skills have really improved since my last visit and she's as good as a lot of others at this now. All rounds oral skills are fantastic. After a while I desperately wanted to fuck her and again she did everything I asked: mish, doggy and cowgirl were all in could take! Her body is incredible and I paused at moments just to kiss her smooth skin or nuzzle her beautiful tits. I told her I wanted to come on her so we switched back to stand-up oral, which was awesome as before. She told me she wanted my cum on her face and I was delighted to oblige. We lingered for a few heavenly moments with the head of my cock on her lips. Jai is hot.
