The Premises:

Flat near Warren St Tube Station. Very easy to access. Just buzz in, easy to find.

The madams are always very friendly with House of Divine. They just make you feel very welcome. They lead you to a room, and soon the lady enters.

Very clean facility. Nothing to complain about here. Very nice place.

The Lady:

Gemma is very sexy. Read other reviews for more detail about her appearance (I have no complaints here). What I'll comment on is her personality: this is the friendliest lady I've ever met in this business. She definitely worked 110% to please. Great conversationalist. Photos might be a bit old/airbrushed but she is still very sexy.

The Story:

Hottest sex I've had. This lady gives absolute great value and a great experience. She gives a very passionate session, exactly what I need to be happy. I completely forgot that a transaction had taken place and she helped take me to that happy place. So good, I had to visit her twice. Too bad I'm leaving London! Honestly, it seems like it's hard to wrong with the House of Divine girls, but Gemma is a special treat.
