The Story:

This was yet another truly authentic GFE from Prestige. It's been quite a while since I last had a trip to the North East and was really looking forward to it.

Antonia arrived bang on time and after a bit of social chit chat, said she really wanted me to enjoy myself. This gave me the confidence to ask for the services (nothing extreme) not commonly found elsewhere but which many other Prestige ladies had either delivered of their own volition or without hesitation when asked. She was as good as her word and enjoy myself I did. Very much in fact so it came as no surprise that my hormones were on high alert from start to finish.

I wish I lived closer so I can utilise Prestige's services a lot more frequently than I do.
