The Story:

Chose Sarah on the basis of her photos on the website and I wasn't to be disappointed. Decided to forego any massage and get straight down to business, we start with some light kissing and touching before Sarah gives me an excellent blow job. Then it's my turn to go down on her sweet cunt, which she genuinely seemed to enjoy, as did I. Time to fuck, starting with some doggy, followed by Sarah on top. I must have been doing something right earlier as Sarah wants her pussy licked out more so she sits on my face as I bring myself off.

As there is a few minutes left we both lie on the bed together and have a nice chat about this and that.
