The Lady:

To be honest, when she opened the door, I thought that I'd met her mother instead. Though her website reckons she's 40, I'd say she was nearer 60. Her photos are of her, but she has excellent Photoshopping skills. Having said that, she's still an attractive woman and very fuckable.

The Story:

It was OK, but not mindblowing. She kisses nicely, does pretty good oral sex. She sat on my face whilst I tongued her clit - that was nice. Then we went to sex in the doggy position. I was beginning to really enjoy this when she complained that it didn't feel right and my cock was too big. She then sucked me off to completion and I shot a massive load in her mouth which she dribbled into my mouth.

All in all not bad, but a slight turn off is she wears a kind of corset as she has a fairly saggy belly.
