The Premises:

Very tidy apartment near John Lewis.
Intercom entry from the private car park.

The room was bright and warm, all very nice.

The Lady:

I've read a few reviews of Michelle and all seemed to suggest she was really beautiful, now without wanting to sound too harsh, I would have given her a 6 out of 10 for looks. I would say the beauty is in the eye of the beholder. She is shorter than I expected too but the photos on the web site make her look taller.

My review date and time may be inaccurate as it was a few weeks back.

The Story:

Looks aside I will say her service is exemplary and the way she swallowed my whole cock all the way to the balls without any problem made me want to stay there for as long as possible.

I enjoyed the 69 we shared and she rode me like I was a rodeo bull - it was brilliant..

I asked if I could finish in her mouth and she again despatched an amazing blow job one I will remember for a long time - I would say it was a little better than Apples IOS V6 but she is just so much prettier. I could be interested in a duo though - one to think about!

I'm afraid that if I am going to pay for sex the woman has to be physically attractive to me as well as offering a mind blowing service - I'd recommend Michelle she is great.
